MORNING CONSULT + POLITICO

National Tracking Poll #2309182 September 23-25, 2023

Crosstabulation Results

Methodology:

This poll was conducted between September 23-September 25, 2023 among a sample of 1967 Registered Voters. The interviews were conducted online and the data were weighted to approximate a target sample of Registered Voters based on gender by age, educational attainment, race, marital status, home ownership, race by educational attainment, 2020 presidential vote, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.
